INNOVATIVE & COLLABORATIVE

Signxpress India offers innovative accessible products, including Braille Signage and tactile tiles, designed to enhance inclusivity and accessibility for everyone.

SIGNXPRESS INDIA COMPANY PROFILE

Introduction:

SignXpress India is a leading provider of innovative and high-quality PU Tactile Tiles, Braille Signage, and Road Safety Products. With a commitment to accessibility, safety, and quality, we cater to diverse industries and sectors across India.

Our Products:

PU Tactile Tiles:

Our PU Tactile Tiles are designed to enhance accessibility for individuals with visual impairments. Crafted from durable polyurethane material, these tiles offer tactile guidance for safe navigation in public spaces, including sidewalks, pedestrian crossings, and train platforms.

Braille Signage:

We specialize in manufacturing Braille Signage that complies with accessibility standards, ensuring inclusivity for all. Our Braille Signage solutions include directional signs, information boards, and facility labels, featuring clear tactile and visual elements to aid navigation and communication.

Road Safety Products:

SignXpress India offers a comprehensive range of road safety products to improve traffic management and enhance road safety. From reflective road studs and traffic cones to barricades and delineators, our products prioritize safety and visibility on Indian roads.

Key Features:

Compliance: Our products adhere to relevant national and international standards, ensuring quality, reliability, and compliance with regulatory requirements.

Durability: Built to withstand harsh weather conditions and heavy usage, our products are durable and long-lasting, providing cost-effective solutions for various applications.

Innovation: We continuously innovate to address the evolving needs of our customers, incorporating advanced materials and technologies to enhance product performance and user experience.

Customization: Our flexible manufacturing capabilities enable us to offer customized solutions tailored to the specific requirements of our clients, ensuring maximum satisfaction and usability.

Industries Served:

Our products find applications across various industries and sectors, including:

- Transportation and Infrastructure
- Education and Healthcare Facilities
- Hospitality and Retail
- Government and Municipalities
- Construction and Real Estate

Clientele:

We are proud to have served a diverse clientele, including government agencies, corporate entities, educational institutions, and construction companies, among others. Our commitment to quality and customer satisfaction has earned us a reputation as a trusted partner in accessibility and road safety solutions.

SignXpress India

Conclusion:

At SignXpress India, we are dedicated to creating a more accessible, safe, and inclusive environment for all.

With our range of PU Tactile Tiles, Braille Signage, and Road Safety Products, we strive to make a positive impact on communities and contribute to building a better future for generations to come.

Enhance Accessibility, Elevate Inclusivity!

We make India an accessible & inclusive country for people with disability and make the public infrastructure more safer for everyone with Accessible & Road Safety Products.

At Signxpress India, we're committed to providing organizations of all sizes and types with quality interior signage and Road Safety Products. No matter what industry you're in, you can trust our team to help you with your next sign project and ensure the displays you order fit your unique needs.

Here are just some of the markets we serve:

- **Govt. & Private Projects** – We specialize in govt. and pvt. project execution excellence.
- **Sign Shops & Wholesale** – Become a wholesale partner or Braille signage reseller!
- **Contractor** – Take newly constructed and renovated buildings to the next level.
- **Elementary & High Schools** – Create an inclusive environment for all students.
- **Colleges & Universities** – Improve wayfinding and accessibility across campus.
- **Hotel** – Ensure the safety of guests while providing a welcoming atmosphere.
- **Apartment** – Develop a sense of community among residents in your complex.
- **Assisted Living** – Help make residents at your facility feel at home and at ease.
- **Health Care** – Simplify navigation for patients, new staff members, and visitors.
- **And more!**

Advantage of PU Tactile Tiles

It is a state-of-the-art design **ground surface indicator for the vision impaired and the differently-abled**. This unique product is a very new concept in India and **it is ideal for use both in indoor and outdoor applications to create a barrier-free environment**. These tiles can be installed in minutes by peel-and-bond technology, but still provide long lasting solution. It is being manufactured as per **CPWD & ISO 23599:2019** specifications.

MATERIAL

The Tactile is Manufactured from 100% Virgin Certified TPU Material.

QUALITY

PU TACTILE TILE-STRIP-STUD are manufactured in Approved Standard Guidelines. Used strong & High-Quality self-adhesive ensures perfect bonding.

INSTALLATION METHOD

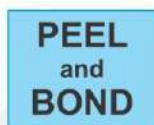

PU Tactile can be installed on any smooth surface by just peel and bond method i.e. just peel off the back side sticker and fix the tile on the floor firmly. The alignment should be checked properly while installing the tiles and there should not be any gap left in between the adjacent tiles. **Prior to the installation, it is necessary to make the surface level smooth and in order by attending repairs if any so that fixing of PU Tactile may be ensured by the technical team at site.**

COMPARISON BETWEEN CERAMIC AND PU TACTILE

Ceramic Tactile	Polyurethane Tactile
Non self adhesive	Self Adhesive
Installation takes a lot of time	Installation is very quick
Color fades away	No color fading
Less color availability	Available in different colours
Feels hard	Feels soft
Prone to crack	Crack will not rise
Less friction	Very high friction
Low luminance contrast	High luminance contrast
Can be Installed only on chipped surface	Can be install on any surface metal, wooden, concrete, granite etc.

PRODUCT DATA

Parameters	Specifications
Dimensions	300 mm X 300 mm
Product weight	300 g Appx
ISO 23599-2019	Compliant
Materials	Polyurethane
UV Stability	Yes
Warranty	5 years
Life Expectancy	7-10 years
Indoor use	Yes
Outdoor use	Yes
Adhesive	Tissue or Butyl d/s tape

APPLICATIONS

(Under salient features of the rights of persons with disabilities act, 2016 section 40 to 46)

**RAMPS ● BUS STOPS ● CAR PARKS ● ZEBRA CROSSINGS ● RAILWAY PLATFORMS
ESCALATOR ENTRANCES ● SCHOOLS ● HOSPITALS ● OVERHEAD HAZARDS ● TOILET
STAIRWAYS ● SWIMMING POOL ● LIFT ENTRANCE ● DOOR ENTRANCE ● FIRE ESCAPES**

OFFICE MEMORANDUM

Subject: Approval of Preferred make/brand name of M/s SIGNXPRESS INDIA.

Approval of Competent Authority is hereby conveyed to incorporate the make/brand mentioned below in the list of approved make of future NIT's of PWD works.

S. No.	Description of items.	Brand of Product.
1.	PU Tactile Tiles (Warning & Direction)	M/s SIGNXPRESS INDIA.
2.	PU Tactile Strips with Stem (Direction).	
3.	PU Tactile Stud with Stem (Warning).	
4.	Acrylic Braille Signage.	
5.	Stainless Steel Braille Signage.	
6.	Stainless Steel Strip.	
7.	Stainless Steel Stud.	

1.) This approval is for a period of **two years** from the date of issue of this office memorandum and will automatically lapse at the end of this period.

2.) CE's, SE's, EE's & AE's are required to incorporate the above brand along with the already approved other brands in the "List of Preferred Makes" in the NIT's to be approved by them.

3.) While specifying different brands of a product the CVC guidelines regarding quality and price of equivalent brands must be followed.

4.) This approval does not absolve the Executive/Supervisory officers concerned of their responsibility of exercising necessary checks like quality, rates & performance of the product while processing/using the same. Shortcoming/deficiencies, if observed while in use at site shall be brought to the notice of this office.

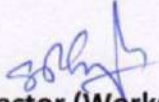

5.) This approval does not make the firm eligible for claiming the right to get the work done or items procured through them only. Work/ Procurement is subject to

firm's competitive offers against other competing manufactures/Brands/Suppliers as mentioned in NIT.

6.) The performance of the firms shall be watched by field units and report shall be submitted for periodical review.

This issues with the approval of Engineer-in-Chief, PWD GNCTD.

Dy. Director (Works)
PWD, GNCTD.

Appreciation Letter

Sub: Work Completion and Appreciation for Signxpress India's Excellent Products and Services at Construction of Bhutan Trust Fund For Environmental Conservation

Dear Mr. Honey Chugh,

I am writing to express my heartfelt appreciation for the exceptional products and services provided by Signxpress India during our recent project for BTFEC at Thimphu, Bhutan with the T&K Construction pvt. Ltd. under the Finance department.

Signxpress India, as the manufacture responsible for supplying PU Tactile Tiles and Braille Signage, has exceeded our expectations in every aspect of this project. Their commitment to quality, attention to detail, and dedication to meeting project deadlines have been exemplary. The PU Tactile Tiles and Braille Signage supplied by Signxpress India have not only met but also surpassed the highest standards of quality and durability. These products have significantly enhanced the accessibility and safety of the public infrastructure within our jurisdiction, aligning perfectly with our mission of creating inclusive environments.

Key points of appreciation include:

Product Excellence: Signxpress India's PU Tactile Tiles and Braille Signage have demonstrated exceptional quality, complying with all relevant standards and regulations.

Timely Completion: The project was executed with remarkable efficiency, meeting all project milestones and deadlines.

Professionalism: The Signxpress India team exhibited professionalism, responsiveness, and a strong commitment to customer satisfaction throughout the project.

Innovation: Their products reflect cutting-edge innovation in the field of accessibility, making a significant impact on public infrastructure.

We believe that Signxpress India's contributions have not only improved the physical landscape of our region but have also enriched the lives of our citizens by providing safer and more accessible public spaces.

On behalf of the T&K Construction private limited under the finance department, I would like to extend our sincere gratitude to Signxpress India for their outstanding work. We look forward to the possibility of collaborating on future projects and further enhancing the accessibility and inclusivity of our public infrastructure.

Please convey our appreciation and recognition to the entire Signxpress India team for their dedication and commitment to excellence.

Thank you once again for the outstanding products and services provided by Signxpress India.

Sincerely,

Jigme Ugyen Gyamtsho
Director-Finance

SOLAR DELINEATOR 242

SOL-DEL-CLAMP-242

Features : 74 times flashing per minute
 Colours : Red
 Dimension : H-150 mm, Dia-90 mm
 Voltage : 1.2 Volts, 1200mAH
 Panel : 2.5 Volts 120mA

TRAFFIC SOLAR BLINKER 243

SOLBLINK-243

Solar Cell: 15W [Type: Mono Crystalline, Voltage: 18V/900mA]
 Battery Type: Plumbic Acid [Voltage: 12V]
 LED: Size: 5 mm - 172 LED, or as required.
 luminous intensity: 8000 - 9000 mcd.
 iC frequency: 38-40/minute.
 Operating Time: Sustain Power Supply continuously for over 4 days when in the wet or rainy days after full-charging.
 Temperature Range: -20 °C to + 70 °C.
 Warranty years: 1 year.
 Service Life: Over 3 years if used in an efficient way.
 Application: Dangerous Roads.
 Material: pC plastic anti-uv material.
