

OCTAGONAL RETRO REFLECTIVE SIGNBOARD

TYPE - IV & XI WITH 3MM ACP & MS FRAME

DESCRIPTION:

Signxpress India offers a Type IV and Type XI octagonal retro-reflective signboard, consisting of a 3mm aluminum composite panel (ACP) with a mild steel (MS) frame. The retro-reflective material ensures high visibility in low light conditions, making it suitable for use on roads and highways. The octagonal shape conforms to international standards for stop signs, and the signboard is durable and long-lasting. Signxpress India's product is an excellent choice for those looking for a high-quality, reliable signboard for their road safety needs.

FEATURES:

1. Octagonal shape
2. Retro Reflective material
3. Clear and visible text
4. Standardized size and color as per IRC 67
5. Durable and weather-resistant
